Sir,

Sub: Facilitating the process of getting Govt. lands for our organization.

The Karnataka Public Lands Corporation is a Company registered under the Companies Act, 1956, fully owned by Government of Karnataka. One of the objectives of this Corporation is to buy, sell or otherwise deal in land, especially the land belonging to Government of Karnataka and make it available to various Govt. organizations.

As a matter of fact your organization is also one of a Govt. organization implementing several successful significant projects in developing infrastructure to improve quality of life.

For promotion/development and expansion of activities of your organization, you may be in need of suitable Govt. land free from other encumbrances either in Bangalore or in any other part of Karnataka. If your organization is in search of Govt. land either for immediate requirement or for future expansion plans, the KPLC can work for you as Nodal Agency in identifying Govt. land free from any litigation and other encumbrances and facilitate you through rigorous processing by coordinating between the field level authorities up to Govt. in getting necessary clearance from Revenue department at different levels and getting the orders from the Govt. at the earliest.

In the above background, we anticipate your interaction with us about your needs for Govt. lands. For queries Shri Beeralingegowda, General Manager, KPLC can be contacted(Mob: 9480811300). We would be happy to reciprocate immediately.

Yours sincerely,
